tntmfg@comcast.net

The league is providing a shirt and hat for each player and also a hat for three coaches per team. All coach shirts (if desired) are the responsibility of the coaches. An issue that had been brought up several times last season was that some teams had nicer uniforms than others. We feel it's best to try and keep the kids all looking the same (equal) on the field. If you obtain additional sponsor money directly or your parents want to contribute, please put those funds towards off field items such as a team bat, equipment bags, jackets, training equipment, etc. Again, the goal is to have all of the kids from Cecil TWP in the same apparel when on the field.

Please notify TNT as soon as possible to ensure your uniforms are completed for any preseason tournaments that you are participating in. Regular season starts April 20th

TNT will need the following information **by Monday March 23.**

- Coach of team
- Color of shirts.
- Size, name & number for each player
- Date of first game and/or tournament
- Logo for team sponsor (front of shirt) and any sleeve sponsors
- An electronic version of your logo is easiest. This can be e-mailed to TNT at tntmfg@comcast.net if an electronic file is not available, please mail a good clean copy to Ed or drop it off at his shop. Keep in mind all lettering and graphics will be done in ONE color only. This may consist of Black, White, Gold, Blue, etc. Complete attached form and send to TNT.

Hats will be provided **directly from the league** for each player and three coaches.

***** Please be sure to list the name and number of each player on the attached order form VERY clearly in order to eliminate the possibility of any mistakes *****

Directions to TNT. Paste into browser:
